October 1, 1990

The Honourable James E. Lockyer, Q.C.
Minister of Justice
Province of New Brunswick

Dear Minister:

I have the honour to submit the Fifty-Third Report of the Superintendent of Insurance for the insurance companies' business year 1989 and for the Superintendent's fiscal year ending March 31, 1990.

Total premiums, for all classes of insurance, paid by policyholders in the business year 1989 were $872,129,372, an increase of approximately 8% over the previous year. Total claims and dividends paid were approximately $514,167,182, an increase of 19%. Other Than Life business overall loss ratios increased from 53% in 1988 to 56% in 1989, and the details are highlighted herein. This is not a significant increase, but the underwriting trends are evident considering the loss ratio in personal lines fire increased to 84% in '89 from 56% the previous year, auto increased to 85% from 80% and liability decreased from 69% to 54% in 1989. These trends will need to be watched carefully to ensure financial stability continues in the industry.

The Fire Marshal's Tax, levied on all fire premiums collected by insurers during 1989-1990, exceeded $716,000. The tax rate is 1% of premiums and is collected on behalf of the Department of Environment. The expenses of the Automobile Insurance Rate Filing section of the Board of Commissioners of Public Utilities are collected on behalf of the Department of Transportation. The expenses collected from insurers, based on a pro-rata charge of automobile insurance premiums, were $181,371, a decrease of approximately 7% from the previous year.

The Insurance Branch collects its own expenses by way of a pro-rata assessment on the industry based upon premium income and the 1989-1990 amount totalled $319,323, an increase of approximately 3% in expenses.

Premium taxes are collected on the basis of 2% of premium income for life companies and 3% of premiums of other than life companies. The amount received for 1989-1990 was $15,133,439, a 4% increase over the prior year.

License and examination revenues from intermediaries (agents/brokers/adjusters/appraisers) totalled $144,717.

There were 307 insurance companies licensed during 1989. The mix is as follows:

LICENSED INSURERS	1989	1988
Provincial Mutuals	4	4
Life	112	112
Other than Life	175	180
Fraternal	11	11
Reciprocal	3	4
Miscellaneous	2	2
	307	313

Le 1er octobre 1990

L'honorable James E. Lockyer, c.r.
Ministre de la Justice
Province du Nouveau-Brunswick

Monsieur le ministre,

J'ai l'honneur de vous présenter le cinquante-troisième rapport du surintendant des assurances pour l'exercice 1989 des compagnies d'assurance et pour l'année financière du surintendant se terminant le 31 mars 1990.

Pour toutes les classes d'assurances, les assurés ont versés 872 129 372 $ en primes pendant l'exercice 1989, ce qui constitue une augmentation de quelque 8 p. 100 par rapport à l'exercice précédent. Les décaissements pour sinistres et participation ont atteint environ 514 167 182 $, soit une augmentation de 19 p. 100. Quant aux ratios des sinistres-primes pour les compagnies d'assurance autres que celles offrant de l'assurance-vie, ils sont passés de 53 p. 100 en 1988 à 56 p. 100 en 1989; ces ratios sont d'ailleurs analysés en détail dans le présent rapport. Il ne s'agit pas d'une augmentation significative, mais les tendances sont évidentes, les ratios des sinistres-primes étant passés de 56 p. 100 en 1988 à 84 p. 100 en 1989 au titre de l'assurance-incendie des particuliers, de 80 p. 100 à 85 p. 100 au titre de l'assurance-automobile et de 69 p. 100 à 54 p. 100 au titre de l'assurance responsabilité civile. On devra d'ailleurs porter une attention toute particulière à ces tendances pour maintenir la stabilité financière dans le secteur.

La taxe du prévôt des incendies, prélevée à même le primes d'assurance-incendie perçues par les assureurs, a excédé 716 000 $ en 1989-1990. Le taux d'imposition correspond à 1 p. 100 des primes, et la perception est faite au nom du ministère de l'Environnement.

Les dépenses de la section de tarfication de l'assurance-automobile de la Commission des entreprises de service public sont recouvrées, pour leur part, au nom du ministre des Transports. Les sommes recouvrées des assureurs, lesquelles sont proportionnelles aux primes d'assurance-automobile qui leur ont été versées, se sont chiffrées à 181 371 $, ce qui représente une baisse de quelque 7 p. 100 par rapport à l'année précédente.

La Direction des assurances recouvre elle-même ses dépenses en imposant aux assureurs des cotisations proportionnelles à leurs revenus-primes. En 1989-1990, ces cotisations se sont élevées à 319 323 $, ce qui constitue une augmentation d'environ 3 p. 100 au titre des dépenses.

La taxe sur les primes équivaut 2 p. 100 du montant des primes payées aux compagnies d'assurance-vie et à 3 p. 100 des primes versées aux autres compagnies d'assurance. En 1989-1990, les sommes recueillies en vertu de cette taxe se sont chiffres à 15 133 439 $, soit une augmentation de 4 p. 100 de plus qu'au cours de l'exercice précédent.

Les recettes provenant des licences et des examens des intermédiaires (agents, courtiers, experts, estimateurs) ont atteint 144 717 $.

En 1989, 307 compagnies d' assurance ont obtenu une licence :

ASSUREURS AUTORISÉS	1989	1988
Compagnies mutuelles provinciales	4	4
Compagnies d'assurance-vie	112	112
Autres compagnies d'assurance	175	180
Sociétés de secours mutuel	11	11
Compagnies d'assurance réciproque	3	4
Divers	2	2
	307	313

The intermediaries licensed during the year were as follows:

LICENSE TYPE	1989-1990	1988-1989
Life Insurance Agents	1375	1351
Other Than Life Agents/Brokers	875	871
Non-Resident Brokers	70	63
Accident & Sickness	47	76
Travel	157	143
Special Insurance Brokers	4	5
Damage Appraisers	93	80
Adjusters	273	299
	2894	2888

With the Branch's emphasis on external communications, enquiries from consumers and the industry remained steady as we received over 1000 enquiries this past fiscal year. We had a noticeable increase in enquiries on Accident & Sickness insurance as sales through credit card programs, mass merchandising "mailers" and trade associations increased significantly in 1989. The industry remains very responsive to situations on which we require assistance or further consideration in resolving issues affecting consumers.

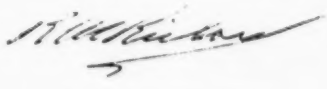
The Branch continues to dialogue with intermediary (Agents, Brokers, Adjusters) and industry associations on the concept of Insurance Councils in New Brunswick, step-licensing programs and status of Other-Than-Life Trust Accounts. Proposals on programs and issues will be advanced for Government consideration during 1990. Negotiations with the life insurance industry for a compensation plan for protection of consumers in the event of an insolvency of an insurer have been finalized. The plan, known as CompCorp, will maintain, subject to plan limits, insurance coverage of policyholders without re-evaluation of the policyholders' present insurability and without loss of investments.

This compensation plan is a companion to the Property and Casualty Insurance Compensation Plan which protects property and casualty insureds since 1988. In conjunction with the industry, consumer information pamphlets on compensation plans and Uninsured Automobile Coverage, which was mandated in March 1990 as part of the Standard Automobile Policy have been developed and distributed. The Branch completed the scheduled audits of our provincially-based insurers for the fiscal year and any deficiencies, which were mostly administrative, were corrected. Subsequent to a consumer inquiry, an audit of a major insurance brokerage firm was conducted. Results of the audit indicated misuse of funds in the corporation's Trust Account resulting in outstanding amounts owing to policyholders and insurers. The broker relinquished his licenses, sold the business to approved interests and restitution of outstanding amounts was arranged. With the cooperation of Insurers, policyholders were not put in jeopardy of any interruption of coverage or loss of market.

In September 1989, New Brunswick had the honour of hosting the 72nd annual insurance conference of the Canadian Council of Insurance Regulators in Saint John. Over 450 persons from all industry sectors attended this very successful meeting.

We continue to work closely with our New Brunswick based insurers in monitoring their competitiveness and availability of financial services with national based insurers. Review of expansion of powers, investments and classes of insurance including re-insurance arrangements are being studied, including the feasibility of networking arrangements. This latter subject has the objective of maximizing financial services available to consumers from our home-grown organizations as well as the strengthened contribution to the economy of the Province.

Respectfully submitted,



R. W. Richard
Superintendent of Insurance

Les professionnels de l'assurance ayant obtenu leur licence cette année se répartissent comme suit :

GENRE DE LICENCE	1989-1990	1988-1989
Agents d'assurance-vie	1 375	1 351
Agents d'assurance autre que l'assurance-vie	875	871
Courtiers (non résidents)	70	63
Agents d'assurance-accidents et maladie	47	76
Agents d'assurance-voyage	157	143
Courtiers spéciaux d'assurance	4	5
Estimateurs de dommages	93	80
Experts en sinistres	273	299
	2 894	2 888

La Direction des assurances a maintenu sa politique d'ouverture face aux consommateurs et aux intervenants du secteur, et a répondu à plus de 1 000 demandes de renseignements cette année. Le nombre de demandes relatives à l'assurance-accidents et maladie a augmenté considérablement, compte tenue de la hausse significative en 1989 des ventes réalisées l'aide des cartes de crédit, du publipostage et des associations commerciales. Les assureurs ont très bien réagi lorsque nous leur avons demandé de nous aider ou d'étudier certains cas plus en détail.

Par ailleurs, les pourparlers se poursuivent avec les intermédiaires (agents, courtiers et experts) et les associations d'assureurs sur le concept des conseils d'assurance au Nouveau-Brunswick, sur les programmes d'accréditation par étapes et sur la situation des comptes en fiducie autres que les comptes d'assurance-vie. Des propositions de programmes et d'autres questions seront soumises au gouvernement au cours de 1990.

Une entente a été conclue avec les assureurs-vie du Nouveau-Brunswick dans le but d'assurer aux consommateurs un régime d'indemnisation permettant de maintenir la garantie d'un titulaire de police d'assurance sur la vie en cas de faillite d'une compagnie d'assurance. En vertu de ce régime nommé Siap, les assurés auront droit à une protection établie dans certaines limites, dans perte d'investissement et sans réévaluation de leur assurabilité.

Ce régime d'indemnisation ressemble à celui de la Société d'indemnisation en matière d'assurance IARD, qui protège les titulaires de police d'assurance contre les dommages depuis 1988.

De concert avec les assureurs, la Direction des assurances a préparé des brochures destinées renseigner les consommateurs sur les régimes d'indemnisation et sur la police d'assurance obligatoire visant la non-assurance des tiers, qui a été ordonnée par la loi en mars 1990 et qui fait désormais partie intégrante de la police standard d'assurance-automobile.

La Direction des assurance a terminé la vérification des dossiers de nos assureurs provinciaux pour l'exercice et tous les problèmes, pour la plupart d'ordre administratif, ont été réglés. Comme suite à la demande d'un consommateur, nous avons effectué la vérification d'une importante entreprise de courtiers d'assurance. Cette vérification nous a permis de découvrir une mauvaise utilisation des fonds du compte en fiducie de la corporation, entraînant le non-versement de sommes dues à des assurés et à des assureurs. La firme a remis ses licences et vendu son commerce à des acheteurs approuvés, et les sommes dues ont été remboursées. Grâce à la collaboration des assureurs, les titulaires de polices n'ont pas eu à craindre pour leur protection ni à subir le contrecoup d'une perte de clients.

En septembre 1989, le Nouveau-Brunswick a eu l'honneur de tenir la 72e conférence annuelle du Conseil canadien des responsables de la réglementation d'assurance, à Saint-Jean. Plus de 450 personnes provenant de tous les milieux de ce secteur d'activité ont assisté à la réunion.

Nous continuons de travailler en étroite collaboration avec nos assureurs néo-brunswickois afin de les aider à être plus concurrentiels et à offrir divers services financiers. Nous procédons d'ailleurs actuellement à une étude de L'expansion des pouvoirs, des investissements et des classes d'assurance, y compris les arrangements concernant la reassurance, et la possibilité d'un décloisonnement. Celui-ci aurait pour but d'optimiser les services financiers offerts aux consommateurs par nos organismes locaux et de renforcer l'apport de ce secteur à l'économie de la province.

Veuillez agréer, Monsieur le ministre, l'expression de ma haute considération.

Le surintendant des assurances,

R. W. Richard
